Dear Kevin:

Upon further consideration, since the Board has already reviewed and approved multiple versions of your galleys (and therefore, considered the review process to be finalized), this updated material will not be accepted for review at this time. Please completely finalize the content of "From the Company of Shadows" to include this new material submitted on 30 July and any other additional or modified material clearly identified in the text. Then submit that complete version for our review. The very last step will be our review of the finalized galleys.

The Board appreciates your cooperation with prepublication review. The PRB may be contacted at [redacted] if you have any questions or if we can be of further assistance. (b)(3) CIAAct

Please include [redacted] on all messages in order to ensure appropriate and timely action is taken. (b)(3) CIAAct
